

The harvest is bountiful...

**Make a gift of
grain to support
your parish or
diocese**

Gifts of grain are a unique and often underutilized way to make a charitable gift to support your Church while achieving tax savings. Instead of selling your grain and donating the proceeds, it is often more beneficial to gift the grain directly to your parish or diocese.

If each family contributes just \$65, we will meet our goal. Perhaps you can double that to help a family that cannot make an offering at this time?

St. John's has been here for you - sacraments funerals, faith formation. Your financial support makes all of this possible. Can you be here for St. John's?

Please scan the QR code and select St. John's ADEL when making your gift or drop off a gift to the parish office.
