DIOCESE OF DES MOINES ANNUAL DIOCESAN APPEAL

Dear friends!

People become members of a church for different reasons and at different times in their lives. As a young member of the church, we anticipate a baptism, First Communion or wedding may have brought you here! These sacraments are happy events which become treasured family memories. As time moves quickly on, we hope you remain involved and look to the church for faith formation & spiritual care.

The Annual Diocesan Appeal is happening now and we need your help. A gift of just \$10 per month can make a huge impact and ensure the church will continue to provide light in our sometimes dark world.

Please scan the QR code to set up a gift - its fast, easy and secure!
